Easter . . .
Remember “the
main thing”

Easter is the most important celebration for Christians. In spite of the secular “hoopla” for Christmas (Jesus birth, not Santa Claus), Easter is the celebration of the resurrection of Jesus.

For many it is about bunnies, chocolate and coloured eggs. God did create all these things, but it is important to not lose focus on the main thing; Jesus died on the cross for us, then was resurrected. That is the reason for the celebration.

So, enjoy family, friends, chocolate, coloured eggs and bunnies if you wish, but remember that He died for us and was resurrected. And that is the main thing.

Happy Easter!
