WHAT'S HAPPENING AT THE FOUNTAIN

HAPPY Mother's Day

A visitor to the Fountain once said that walking into the Fountain “was like hitting a wall of Mom Love!” She saw people being greeted, needs identified and a joke shared. People’s name and news were shared. There was caring and recognition.

Jesus said that, “Whoever does God’s will is my brother and sister and mother.” Mark 3:31-35. As we seek to serve God here in the Fountain, let’s remember that the more we try to do what He wants the more we will look like family.

Happy Mother’s Day! We celebrate mothers and here at the Fountain the “mother’s” among us who help make us family.
